SERVICES HELD FOR ALFRED BORCHERS

Services for Alfred William Borchers, 47, were held Saturday, January 10, at 10 o'clock in the morning at St. Mary's Church. The Rev. Fr. Joseph Sakowski and Fr. Timothy Kroboth officiated. The rosary was said. Burial was at 1 o'clock at the Sorenson Funeral Home. Interment was in Elmwood Cemetery with Henry Stephan, Jack Mason, George Mason of St. Clair Shores, Gene Brown of Grand Rapids, Joe Meagher and Tom Meagher of Grayling serving as pallbearers. A Borchers succeeded on

Wednesday evening, January 7th, at Mercy Hospital, following a one-year illness caused by cancer. He was born July 17, 1911, to Henry and Minnie Borchers, reputedly the first boy born in the old Mercy Hospital. He attended Grayling schools, thereafter spent some time in the Civilian Conservation Corps, and later was employed for several years as caretaker for George W. Mason, Sr. on the South Branch of the AuSable. While living there he was married on May 9, 1938, to the former Zonella Wells of Grayling. For the past several years he was employed as caretaker at Camp Ginger Quill on the mainstream, Creek by and Mrs. LeRoy Mathews of Roscommon, Mr. and Mrs. Perry Wells and daughter of Lansing, Bill and Bob Meagher of Bay City, Mr. and Mrs. Ted Benedict of Bay City and Mr. and Mrs. John Sojka of Rochester.

Surviving are his widow, a daughter, Bonnie, 16, a son, Alfred William, Jr., 10; his mother, Mrs. Minnie Borchers; two brothers, Oscar of Grayling and Major Clyde Borchers of Fargo, N. Dak. Here to attend the services were Maj. Borchers, Mr. and Mrs. Dwight Olson, Fred Smith and sons, and Charles Wells, of Bay City, Herbert Martin and Mrs. Winnie Smith of Detroit, Mr. and Mrs. Fred Ward of Grand Lake, and Mrs. Fred Abell of Battle Creek. Mr. and Mrs. LeRoy Mathews of Roscommon, Mr. and Mrs. Perry Wells and daughter of Lansing, Bill and Bob Meagher of Bay City, Mr. and Mrs. Ted Benedict of Bay City and Mr. and Mrs. John Sojka of Rochester.

Mr. and Mrs. Harvey Rowland and children spent the weekend in Lansing, visiting Mrs. Rowland's sister and family, the Edwards. While there they heard stage star Mary Martin sing at Michigan State U.

Mr. and Mrs. Robert Hayes entertained friends Saturday night with a game dinner.

Vikings Host Boyne Tues., Travel To Pellston On Friday

Eagles Win Tourney Consolation

The Frederic High Eagles playing three outstanding defensive games in the Snowfall Class D Conference Tournament held at Ellsworth last week came up with the consolation prize.

The Eagles took on Rapid City to open the tourney on Tuesday, January 6th and defeated them 48 to 37. The same evening, Ellsworth defeated Alba and Belleair turned back Pile Lake. On Thursday, the Frederic Eagles were defeated by Central Lake 48 to 34 and Ellsworth knocked out Belleair. The finals were held on Saturday evening with Central Lake taking the tournament championship with a win over Ellsworth. In the consolation game which preceded the championship contest, the Eagles turned back Belleair 35 to 33.

In the first game of the tourney the Eagles scored 11, 12, 13 and 10 points in the four quarters while holding Rapid City to 4, 5, 8 and 20. Gerald Guy with 12 was high for Rapid City while Steve Olson was high for the Eagles with 12. Bill Johnson added 8, Jack Smith 7, Ronnie Mertes 7, Ben Redman 4, Frank Weaver 4, Charles Lodge 2 and Mitch Thompson 2.

In the Thursday night game with Central Lake, Frederic scored 6, 4, 8 and 16 while Central Lake hit for 11, 9, 15 and 13. Karl Dingman with 17 paced Central Lake to the win. Steve Olson with 10 was high for the Eagles while Jack Smith and Bill Johnson added 9 each. Ron Mertes, Paul Bradstreet and Ben Redman 2 each. Central Lake was favored to win but Frederic outdid themselves and really outplayed the Lakers. They lost simply because they were not hitting on their shots. This is the first time this season that Central Lake had been held to less than a 70 point total.

In the consolation game, Belleair took a 5 to 4 first quarter lead but the Eagles bounced back to hold a 15 to 13 intermission bulge. At the end of the third period, Frederic held a 27 to 19 edge. Belleair outscored the Eagles 13 to 8 in the final quarter but their bid for victory fell short.

Tom Ash and Larry Cook with 10 each led the losers. Bill Johnson with 12 was high for Frederic. Steve Olson with 8 and Jack Smith with 7 gave him help. Ronnie Mertes added 4, Paul Bradstreet and Charles Lodge 2 each.

It was a close game all the way. With 12 seconds to go, Belleair was 2 points in the lead but Bill Johnson and Ron Mertes hit for field goals that gave the Eagles the victory, 35 to 33.

Tuesday of this week, the Eagles travel to Merritt to take on an archival of many years standing. On Friday, Frederic will entertain Pile Lake in a conference game at the Frederic gym.

Mr. and Mrs. Esbern Olson, Sr. left Wednesday last week to spend the winter in Ft. Lauderdale, Florida.

Wednesday evening, January 7th, at Mercy Hospital, following a one-year illness caused by cancer. He was born July 17, 1911, to Henry and Minnie Borchers, reputedly the first boy born in the old Mercy Hospital. GRAYLING BEARS IN ACTION SATURDAY NIGHT

Grayling's independent basketball team, the Bears of Bear Archery will tangle this Saturday night at the Grayling High gym with Holiday Inn of Bay City. The game is slated to get underway at 8 p. m. Currently Holiday Inn holds first place in the City League of Bay City and is expected to give the Bears their steepest test of the season.

On Saturday night, January 10th, the Bears turned back a strong Cheboygan Independent quintet by the score of 82 to 53. Grayling had five players in the double figures with Richard "Red" Hamilton leading the scoring thrust with 18 points. Doug Lott added 14, Jerry Korhonen 12, Jerry Hopkins 10 and Ron Larson 10. For the losers, Dick DeWitt was high with 23 points.

Most of the Grayling Bear players also are on the roster of the Underground Forest All-Stars. Frederic's cage team. So far this season, both teams are undefeated and have racked up five straight victories.

On Thursday, January 15, (tonight) the Underground All-Stars will entertain a Gaylord independent squad at the Frederic High gym with the game scheduled to start at 7:30 p. m.

Grayling Ski Squad Shows Up Very Well

In the tri-city ski meet held at Walloon Hills park at Petoskey, January 6th, the Grayling High school girls' team placed second, and the boys' team placed third. Petoskey girls' team carried off first place honors in both the downhill and slalom runs, but the Harbor Springs team was disqualified, leaving Grayling an automatic second in the girls' events. Four team members must make the runs, and three of the four must finish. Only two of Harbor's completed the runs. Maryda Stillwagon was first among the Grayling girls with a time of 1 minute 37.6 seconds in the downhill runs, and 1 minute 57 seconds in the slalom run. C. Bates of Petoskey was first with a time of 48.5 seconds for the downhill runs and 36 seconds in the slalom.

Petoskey boys' team won the three-way meet with a combined time of 6 minutes, 43 seconds for the downhill runs and slalom run. However, Bill Koerber of the Grayling team placed first among all teams with a combined time of 1 minute 18.3 seconds in both events, and Russell Gust second with a time of 1 minute 20.7 seconds combined time. Five team members must compete and four of the five finish for boys' teams to qualify.

The meet scheduled for Caberfae at Cadillac has been changed to later in February. The next meet will be January 14th at Gaylord, Grayling, Atlanta and Gaylord competing. February 5th Grayling and Gaylord will meet at Grayling. February 7th is the date of the Caberfae meet, with Cadillac and Alma also participating. February 21st the State meet at Sugar Loaf Mountain at Glen Arbor will bring about 15 teams in competition.

Drop Close Game 43 to 36 To East Jordan

The Grayling High Vikings are playing hosts to the Boyne City Ramblers this Tuesday night and then will travel north to engage the league-leading Pellston Hornets on Friday night. The Hornets have yet to be defeated in conference play.

Poor shooting percentages in the East Jordan gym last Friday night cost the green and white a victory in Northern Class C Conference play. Outplaying the Red Devils in every department of the game, the Vikings just could not get their shots. This has been a failing on the part of Grayling in the East Jordan gym for many years and is beginning to be looked upon as a jinx. Time after time, the Vikings have consistently outplayed the Red Devils only to lose on their floor due to poor shooting from the field and the foul line.

Meanwhile the Conference leading Pellston Hornets got by the Boyne City Ramblers at Boyne City Friday night by the squeaking score of 52 to 50. In what was a defensive battle, Pellston won the game of the week for the Conference, the Gaylord Blue Devils eased by the Mancelona Ironmen by a scant, 40 to 39. The hapless Harbor Springs Rams took a terrific trouncing at the hands of the Charlevoix Red Raiders, 80 to 20.

East Jordan took a 10 to 7 first period lead. Friday night with both teams scoring 11 points in the second quarter to leave the host team in command 21 to 18 at intermission time. In the third quarter, the Red Devils again edged the Vikings 8 to 6 and 14 to 12 in the final period.

Grayling scored on 14 field goals and 8 out of 22 foul shots while the Red Devils cashed in from the floor on 15 and 13 out of 22. The Red Devils again edged Grayling with 19 fouls, East Jordan 18.

Roger Hatfield with 19 points on 8 field goals and 3 foul shots was the only Viking in double figures and paced Grayling's thrust. Frank Gross added 8, Oscar Hornung 6, Bill Hult 5, Kraemer with 12 and Hayden and Drenth with 11 each led East Jordan's scoring.

The little Vikings also were defeated by a 46 to 33 score. Grayling took a 7 to 6 first period lead but were behind 21 to 19 at half time. The little Red Devils outscored Grayling 12 to 11 in the third period of play and by a whopping 13 to 5 in the final quarter.

The Grayling reserves scored on 13 field goals and 7 out of 14 free throws while the little Red Devils hit for 15 from the floor and scored 18 out of 25 from the foul line. Grayling was called for 18 fouls and the East Jordan reserves for 13. Joe Robertson with 18 points and Jim Sorenson with 14 paced the Grayling team. Grayling, Bill Vejda added 8 and Ted Hornung 2. Knudson with 21 was high for East Jordan.

In action this week, East Jordan will be at Pellston, Gaylord at Charlevoix and Harbor Springs at Mancelona. Saturday night with the Charlevoix Red Raiders, the Grayling team will make it a doubleheader at Mancelona and Gaylord.

Charles G. Trosien Succumbs Jan. 8th

Charles G. Trosien succumbed at Mercy Hospital Thursday, January 8, 1959, after having been hospitalized since September 22 in the final stages of cancer. He was 75 years old. Funeral services were held Saturday, January 10, at the chapel of Perry Mt. Park Cemetery in Pontiac, under the auspices of F. & A. M. Lodge No. 21 of Pontiac. He was a 32nd degree Mason.

A prayer service by the Rev. Harold Knudson was held Friday at 2 o'clock at the Sorenson Funeral Home in Grayling.

Mr. Trosien was born August 28, 1883, in Adrian, Mich., to Emily and Gottfried Trosien. He was a toolmaker. The first wife was Mary, who died in 1913, when he was drowned while duck hunting on Lake St. Clair. His second wife was Mrs. Trosien, who died in 1948. He was a member of the Grayling Lutheran Church.

Michelson Memorial Church News

The long delayed occupation of the new educational addition to the church is being accomplished at last. During the past week the church office and pastor's study were occupied, and on Sunday morning the Nursery, Kindergarten and some of the Youth classes met in their new quarters. It is expected that next Sunday the Primary, Junior and Adult departments will be moved. Opening the new Nursery Room makes possible the re-opening of the church's church school nursery. Infants and children through five years of age will be accepted for care during the worship service at the Nursery room on the same level with the sanctuary. As soon as possible, extended Kindergarten sessions will be made possible to divide the group by age.

The January meeting of the Women's Society was held January 8th. On January 21st the Society will sponsor a Family Night with potluck supper at 8:30. All members and friends of the church are invited to attend, bringing their own table service and a dish to pass. The program will be in charge of the Mary Ruth Circle. The Matilda Bauman Circle met Friday afternoon at the home of Mrs. Ernest Borchers and the Mary Martha Circle meets Tuesday, January 20th. All circles are engaged in a Mission Study of Alaska.

Last Sunday was Pin Sunday at Michelson Memorial Sunday School, and although the lists of awards are not available at this writing, it is true that an unusual large number of pupils received awards for the Fall Quarter.

The Village Council on August 22, 1934 entertained Mr. Herbert Olson of the Michigan Municipal League who outlined to the members of the Council the advantages of a Village Manager.

The members of the Village Council at that time were: Dr. Clarence G. Clippert, President; E. L. Sparkes, Clerk; Roy O. Milnes, Trustee; Albert L. Roberts, Trustee; Arnold S. Burrows, Trustee; Merle F. Nellist, Trustee; Nelson O. Corwin, Trustee; Jesse Schoonover, Trustee; Thomas Cassin, Trustee.

Town United Can Do All

Like Paul Bunyan, the combined strength of the people of a community knows no limits.

Every school child knows about Paul and his great blue ox, Babe. They know of his great exploits in Michigan's lumber camps and of the winter of the blue snow. They can tell you how he took time off from lumbering to make some of the natural wonders of the United States.

Just as Hercules, his name has entered our language to signify great accomplishments.

Paul Bunyan characterizes our state. But, what he did is legend. His feats, however, have a counterpart in fact. The people of Michigan have many of the characteristics attributed to Mr. Bunyan. They can, by combining their efforts, do anything their community needs for sound development and the greater prosperity of its residents.

This has been demonstrated many times in a number of Michigan communities. Schools have been built. Hospitals have been erected. Parks and playgrounds have been built. Municipal improvements such as sewers and water mains, better streets have been built. New industries have been attracted and present ones encouraged to expand locally. All this has been possible because the efforts of a community have been combined. These have been feats, in fact, which outshine the exploits of Paul Bunyan, in legend.

What can be done on a community basis is stressed in an industrial development agreement, sponsored by the Michigan Press Association and the Michigan Economic Development.

Two Frederic couples were arrested on charges of breaking and entering and entering examination in Justice Court, were bound over to Circuit Court for trial. The two wives were released on their personal recognizance while the two husbands are held in the County Jail. They are Victor R. Papendick and his wife, Jean, 17, and Larry Owen, 22, and his wife, Jeanette, 17, all of Frederic.

Owen was picked up last Wednesday night in Flint by Flint City Police in the act of breaking and entering. Sheriff John A. Papendick said, Flint Police held him and his wife and Deputy Sheriff Art Clough and State Police went to Flint to pick them up Friday. This broke open breaking and entering cases all over Crawford County and in Otsego, Kalamazoo and Grand Traverse counties as well as in Flint.

Over two rooms in the County Jail are filled with looted recaptured from the two couples. Although the foursome were not together in every breaking and entering case, Sheriff Papendick said, they were together in many of them.

Bobby Gene Tole, 21, of Flint is to face Circuit Court this week on a charge of felonious assault.

Selected By Students As Five Finalists

Miss Grayling for 1959 will be selected, announced and crowned this Saturday evening at a dance to be held at the warming lodge at the Grayling Winter Sports Park, Winter Sports President William Joseph announced.

Saturday evening will start off with free tow use, all skiers who wish to ski under the lights from 7 to 9:30. The dance will get underway at 10 p. m. Out of town judges will select Miss Grayling 1959 who will be presented at 10 p. m. and will be crowned later in the evening.

The entire evening's entertainment fee has been set at 50¢ per person by the Grayling Ski Patrol who is sponsoring the event. Funds realized from the evening will go to the fund which will pay for the Ski Patrol's new jacket.

Nearly 200 ballots were cast last week by Grayling High School students to select the five finalists for the crown of Miss Grayling of 1959 in an election sponsored and handled by the Student Council with instructor Frank Bond advising.

The students named Diana Blaine, daughter of the Aubrey Blaines, Dee Ann Fisher, daughter of the Vergon Fishers, Jeanne Holtecamp, daughter of the Charles Holteamps, Julie Lovely, daughter of the Leo Lovells and Kay Warner, daughter of the Francis Warners from a slate of ten contestants.

The new Queen and her court will reign over the park for the remainder of the 1959 season and until a new Queen is selected in 1960. She and her ladies of the Court will also act as official hostesses to the many Winter Sports Queens who will come to Grayling during the Winter Sports Carnival on February 13, 14 and 15 to compete for the title of Miss Michigan Winter Queen of 1959.

Expected in this weekend will be a group of over 150 students from Cooley High School of Detroit who again have selected Grayling for their winter weekend trip. They will arrive in Grayling early Saturday morning and will spend the day here, Saturday night and most of Sunday before returning home. Last weekend a group of 100 from Detroit Western High School were here for the weekend. Saturday morning in a bus caravan.

On the weekend of January 24 and 25, a group of 500 Lansing Boy and Girl Scouts will spend their time here. The National Guard is furnishing cots on which the boys will sleep in the Grayling High gym. The girls will stay at various motels and rooming houses. A dinner will be served at the Legion Hall dining room by Al and Jessie's Restaurant. Again the National Guard is helping out by furnishing table service and kitchen equipment. A breakfast will be served at the Grayling gym "chow line" style. The breakfast will be cooked by the Legion Hall staff and transported to the school for distribution to the hungry Scouts. Clarence Roberts will be in charge of the breakfast.

District Three Annex Rejected

Fifty-four voters of School District No. 3 of Grayling Township, better known as the Feldhausen District, located east of Grayling, voted to reject a proposed annexation of the district to the Grayling School District No. 1 in an election held last Saturday.

Proposal No. 1, which was a "yes" or "no" vote on the annexation was defeated 52 to 2. Proposal No. 2, which covered the tax rate limitation increase for operating purposes was turned down 51 to 3. Proposal No. 3, which covered tax rate limitation increase for bond purposes was voted down 51 to 2 with one ballot spoiled. Proposal No. 4, which covered the assumption of a fair share of the bonded indebtedness of District No. 1 by the property owners of District No. 3, if the annexation passed, was rejected by the voters 45 to 3.

On the weekend of January 24 and 25, a group of 500 Lansing Boy and Girl Scouts will spend their time here. The National Guard is furnishing cots on which the boys will sleep in the Grayling High gym. The girls will stay at various motels and rooming houses. A dinner will be served at the Legion Hall dining room by Al and Jessie's Restaurant. Again the National Guard is helping out by furnishing table service and kitchen equipment. A breakfast will be served at the Grayling gym "chow line" style. The breakfast will be cooked by the Legion Hall staff and transported to the school for distribution to the hungry Scouts. Clarence Roberts will be in charge of the breakfast.

Kiwanis Club Notices

Club President Fred Welsh introduced the new division Licent Governor Del Brooks of Manistee at Monday night's meeting of the Kiwanis Club of Grayling held at Shoppenagons Inn.

Lt. Gov. Brooks was on his first of two official visits to the club for 1959. He presented a report for a 100 per cent attendance meeting in 1958 to immediate past president J. Lorne Douglas. He also charged the new officers with their duties for this year.

A club member, John A. B. M. Auley was reported a patient at Grayling Mercy Hospital.

AuSable River Guides Association

A meeting of the AuSable River Guides Association will be held Wednesday, January 14th at Edgewater on the AuSable. It is expected to have a report on the Commission meeting concerning the fly water. Movies will be shown courtesy of the Bear Archery Co., and Grayling High School.

Episcopal Church Sponsors Class

The Rev. Colin Campbell, the Vicar of St. Francis' Episcopal Church is conducting a class in the Christian Faith as presented by the Episcopal Church. The class meets every Thursday at eight o'clock P. M. in the Bear Archery reception room. This class is open for anyone who is interested in the Christian faith or the Episcopal Church. The class will meet the requirements for any who desire Confirmation in the Episcopal Church. The class will continue every Thursday night until May 14. It is hoped that many will come to learn and to ask questions.

Michigan and five other
states are fighting in court to keep
Chicago from stealing the Great
Lakes.

The simple statement of a com-
plex problem distorts the issues
on both sides of the courtroom,
but the danger is here and im-
mediate.

Chicago for decades has been
draining water out of Lake Michi-
gan for navigation at the rate of
1,200 cubic feet per second.
That much is all right with all
concerned.

But the city also is increasing
its flow to 2,000,000 c.f.s. along
for another purpose: treat-
ment of sewage. The water then
goes through a sewage canal, ul-
timately reaching the Mississippi

river.

The result is a development
impossible except in the wildest
of states. The level of the Great
Lakes is being lowered!

Atty. Gen. Paul L. Adams has
charged that the drainage into
Chicago is damaging the recrea-
tional lure of Lake Michigan, low-
ering property values, and creat-
ing chaos.

If the drain continues, the level
of the Lakes will be lowered an-
other two inches, reducing the
tonnage freighters can carry into
available dockage space and ports.

Swamped, that is, along
with 52,000,000 c.f.s. of water
year and raises prices of products
shipped into Michigan by boat.

Not only will Lake Michigan's
level be lowered, but, ultimately,
a heavy impact is foreseen on the
other Great Lakes which sur-
round Michigan on three sides.

Chicago officials, visiting Lan-
sing for a conference on the prob-
lem, said the citizens are turning
to their only natural source of
water to help them solve their
sanitation problems.

Michigan and the other protest-
ing states are insisting that Chi-
cago return the water, treated and
restored, to Lake Michigan.

Chicago people said this would
double the costs of pipelines at a
time when financing merely the
taking of water for public pur-
pose is burdensome.

States involved in the legal
fight, which is now before the
United States Supreme Court, are
Michigan, Ohio, Pennsylvania,
New York, Minnesota and Wisconsin.

While that case awaits action,
three of the states, Michigan,
Pennsylvania and Wisconsin, re-
quested to allow three small Chi-
cago suburbs to finance an \$18,000,
000 pipeline to the lake.

It was blocked by refusal of
the states to agree to a "non-litiga-
tion" guarantee, demanded by
investors before they would buy
the revenue bonds.

Michigan officials contend that
residents of the state have a vast
investment in the values the Great
Lakes offer. A high percentage of
the state's economic life depends
on them.

An added factor of significance
is the opening of the St. Lawrence
Seaway, which is expected to
carry Michigan products to world
markets and return the goods of
other nations to the state.

It probably will be months or
years before the case is finally de-
cided, but the problem will smolder
until then.

FOOD-BUYING HOUSEWIVES.
with the family budget to juggle
in an era of rising prices have a
challenge in state government.

It is the foods and standards di-
vision of the State Department of
Agriculture.

The department, headed until
Jan. 1 by Miles A. Nelson, a vet-
eran career state employee, makes
certain all goods meet the Michi-
gan standards before they are
sold. Its range of operations is
amazing.

It constantly checks the accu-
racy of weight machines, from the
penny scales patronized by pound-
conscious citizens, to the giant
scales that weigh cars.

The department checks to de-
termine if packaged goods contain
the same weight as advertised on

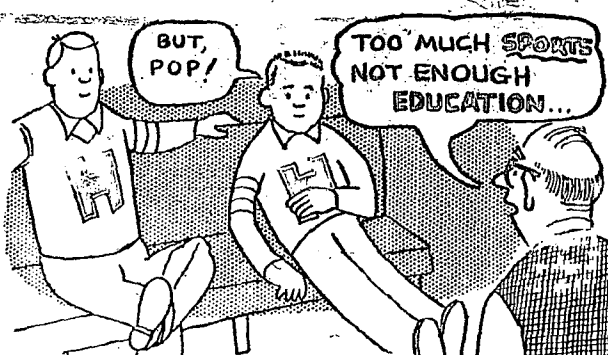

the label, guards against false
claims for all products and ap-
proves labels.

In Nelson's office there are
samples, a bottle of beer with a
claim suggesting it is more in-
side than other of the same size,
a misbranded package of sausage,
or a jar of pickles that did not
measure up to Michigan standards.

Nelson has been a fighter for
perfection in his department and
has not hesitated to "sue" a ship-
ment of potatoes or other produce
that didn't measure up. He has
one pat answer to complaints:
"Let's look at the law or that
subject."

FOR AND ABOUT TEENAGERS

Do Athletes Miss Out On Education?

A "concerned" father says: "We
have gone overboard for sports to
the extent that our educational
programs are suffering. Sports at
the high school and collegiate level
should either be drastically re-
duced or eliminated altogether."

We think Dad is a bit over-
concerned or he wouldn't suggest
taking off an arm just to get rid
of an infected finger.

While it cannot be denied that in
many instances, at both high school

and university level, sports are over-
emphasized—it is not necessarily true
that the school's educational program
suffers or is de-emphasized. One of the
major collegiate football powers went
to a bowl this year without the services
of a front-line star who fell behind
academically.

If there is to be found a serious
fault with high school and col-
legiate sports, it must be that
too much emphasis is placed on
"winning." With few exceptions,

the ice in the same direction, they
should stay far apart. Under cer-
tain conditions and distances the
ice wave caused by one vehicle
can be increased—by an in-
crease in danger—with an in-
crease in danger.

For somewhat the same
reasons, cars should not be park-
ed too close together.

The U-M meteorologists have a
few words to say, too, about how
the ice is formed. As the water in
a lake cools, it becomes denser
and goes to the bottom, exchang-
ing places with warmer and light-
er water. This keeps on until all
the water is about 34 degrees.

At that temperature the maxi-
mum density of water occurs, and
as the liquid cools further, it be-
comes lighter instead of heavier.
The water on the surface stays
there and continues to cool. In
natural lakes, it might cool to one
degree below zero before it
freezes.

If the water were completely
pure and free of vibration—im-
possible under natural conditions—
it could go as low as 40 degrees
below zero before freezing. Then
the slightest movement would
cause it to freeze.

Autos On Ice Court Danger, Say U-M Labs

ANN ARBOR — Ice fishermen
who drive their automobiles over
frozen lakes can be flirting with
danger, even if the ice is "thick."

Information supplied by the
Meteorological Laboratories at
The University of Michigan indi-
cates that a vehicle moving across
ice produces a traveling wave of
ice all around it.

The ice is pushed down or de-
flected most beneath the vehicle.
Moving progressively away from
the car there is a point of no de-
flection, then an upheaval of the
ice, and finally a gradual return
to normal.

Of course, the deflection and up-
heaval amount to less than an
inch of change. But under certain
conditions—say, when the water
is very deep—this flexing will
break the ice and put the car in
the water.

For instance, cars traveling over
15 miles per hour on ice three or
more feet thick can create danger-
ous flexing if the water is less
than 10 feet deep.

If two cars are traveling over
the ice, the danger is even greater.

New Record . . .

When the Christmas sales are totaled up, retailing's total sales for the year will be the highest in history, and last year's whopping \$200 billion of volume will have to step aside for a new summit.

That prediction comes from Chain Store Age. It is based on reports from leading chains in all categories—grocery, drug, variety, general merchandise, mail-order and so on. The Great majority of these chains have been showing marked increases over equivalent periods last year—in some cases more than 20 per cent.

This is good news of a high order. The volume of retail trade, needless to say, is one of the most potent forces in determining whether general business conditions are good or bad. Our magnificent production system would falter and ultimately halt unless the goods were moved in sufficient quantity into the hands of consumers.

Chain Store Age also points out another significant fact. Despite the record-breaking increases registered in sales, net profits have not been keeping pace. In many instances there have been declines, some substantial. Rising operating costs are one of the causes of that. A mighty small part of the consumer dollars stay in the hands of retailers after all the bills are paid.

Cart And Horse . . .

Back in 1946, Congress passed an Employment Act. It laid down three economic goals for the nation—maximum employment, production and purchasing power.

Now, writes Sylvia Porter, the well-known business and financial commentator, the next Congress will seriously consider adding a fourth goal—"reasonable price stability."

In order to achieve this new goal, Miss Porter continues, a number of schemes and plans of action are being weighed and debated. One is that perennial—a revival of stand-by-controls over prices, wages and rents, plus revival of controls over installment credit.

If this policy is adopted, it will mark an outstanding example of putting the cart before the horse. It will be an attack on symptoms of inflation, instead of the disease itself. As such, it inevitably will be doomed to failure. The main force behind further inflation now is government deficit spending. Until something drastic is done about that, the spectre of inflation will remain strong, no matter how many laws are passed.

PAUL PUNY GOES TO TOWN

Finally, it would be well to remember our past unhappy experience with such controls in peacetime. Scarcities were common. Black markets flourished. Evasion of law was commonplace. The normal processes of producing and selling goods were disrupted.

It could happen again—and on a far bigger and more chaotic scale.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

23 YEARS AGO January 18, 1936

Grayling's green-clad warriors added one more scalp to their string January 7 by beating Boyne City 21-26. They added two more wins in five days to their string of victories. Last Friday night they were victorious over a fighting Oriole team at West Branch by a score of 33-17, and Tuesday night turned back a strong Rosecommon team 27-8.

Grayling Cubs Friday night defeated the Cheboygan Indians here at home by the score of 34-28, with Rudy Harrison and Art May leading the winners with 12 and 12 points respectively. With that power to win they gave Houghton Lake Indians their first defeat in seven games this season by trouncing them 34-11 Tuesday night. May and Dawson paced the

winners with 11 and 8 points respectively. Art May, Bud Sorenson, Norman Dawson, Ken Gohro, Don Gohro, Rudy Harrison, Lowell Schaefer, Leland Marshall, Willard Cornell, Walter Smith and Coach Russell Robertson were the Cubs' lineup.

Should Old Man Weather remain loyal to Grayling, after showing us this past weekend how very gracious he can be, Winter Sports will reach its peak of expectation for 1936 and close with the greatest success so far achieved. As the first snow train from Detroit whistled for Grayling, the huge crowd which surged the station looked like snowmen who had donned a literal snow suit to meet their guests, as the snow flakes fell on the varicolored outfits and snow, swirled everywhere welcomed the arrivals. Many very interesting folks

who have enjoyed winter sports at Lake Placid as well as in Switzerland and other European countries were in the merry throng.

Among these were John Delwiler and Miles O'Brien who have studied in the East. There were many expert skaters and in this class were Diane Dineen, who came with her mother, Mrs. M. H. Dineen and divided honors with H. A. Clark. The party with Mr. and Mrs. Franklin M. Reck and Dickon Reck brought their own toboggans; with them were Mr. and Mrs. Harry Gould, Mr. and Mrs. Wm. J. McBrearty, Alfred W. Gross, Mrs. Marquita Dygert, Dr. Everett Johnston, Leonard Reynolds, Waldo Greiner, Dr. and Mrs. Edward Wisniewski, Oswald Lansens, Dr. and Mrs. Wm. Johnston, Dr. and Mrs. George Kreutz, Merrill Hamburg and Barbara Dole, of Seattle, Wash. The crowd from Bloomfield Hills registered as Mr. and Mrs. Howard Smith, Mr. and Mrs. Philip C. Jackson, Mr. and Mrs. Allen Hall, Mr. and Mrs. Edward T. Bennett. The former Graylingites who came up for the day to renew their winter sports urge, included Mr. and Mrs. Wm. E. McCullough and son Charles, Mrs. Spencer Holst, and son Spencer, and party of friends Miss Julia Grant and Mr. and Mrs. Chester Moffat, Mr. and Mrs. Leo Jeannet and daughter Joyce enjoyed the snow train trip. Gordon Chamberlain headed a group of twelve employees of the J. L. Hudson store; Mrs. Benjamin Short, and Miss Emma Peterson. Although they did not come on the snow train, Mr. and Mrs. Albert Pochelon, who are among the county's summer residents, were here to enjoy the thrills. Also Mr. and Mrs. T. F. Marston and daughter and son of Bay City were among the happy guests.

Mr. and Mrs. George McGowan and the latter's son Howard Thompson of Detroit visited over the weekend at the homes of Ed Moore and Earl Madsen. Miss Virginia Skingley, in her capacity as Winter Sports Queen, gratified among these Miss Skingley is anxious to acknowledge publicly are nice letters from Mrs. Amon Schreier (Cora Lewis) our last year's winter sports queen, of Gaylord; Mrs. Harold Schmidt (Evelyn Thimel) of Milwaukee; and Mrs. Robert Bensinger (Ellen Gohro) of Lansing, also from Ben Mead of Lincoln.

Mr. and Mrs. Carl Sorenson, daughter Evelyn and sons Robert and Bill left Wednesday for a two-months' sojourn in California and Texas. They will visit Mrs. Sorenson's mother, Mrs. Marie Fischer and sister, Mrs. Irving Hodge at Compton and at Houghton, Texas, her sister Mrs. A. R. Engler.

Henry Reniger of Lansing, together with a party of friends, spent the weekend at his cabin on the river.

At the last meeting of the Board of Education, Emil Giegling was elected as a member to succeed C. J. McNamara who recently resigned.

The Fire Department was called out Thursday to put out a small fire at the Korhonen residence on the south side. The blaze was caused from creosote which had melted upon the bricks of the chimney and became ignited. Friday noon the department was called to the Mrs. Al Barber home on the highway. However, it was called merely as a precaution since it was only a chimney fire and burned itself out. Neither fire caused any damage.

Harry Tumber of Bay City visited the Dewey Palmer family Sunday.

Miss Marie Mullinger of Higgins Lake was a guest Sunday of Miss Lillian Ahman.

Mrs. Aldrich of Boyne City visited her mother, Mrs. Peter Larson Wednesday. She left

her son Roger Bruce Schroeder to visit his grandmother until Sunday.

Volva Bennett spent the weekend at Frederic visiting at the home of Mr. and Mrs. C. S. Barber.

Mr. and Mrs. Dewey Palmer and children drove to Flint Tuesday afternoon and were accompanied as far as Bay City by the former's mother, Mrs. Minnie Palmer, who had spent the weekend here.

The G. G. S. C. met Monday evening at the home of Mrs. William LeGrow. After a very pleasant evening Mrs. LeGrow served the ladies a very nice lunch. The next meeting will be held at the home of Miss Martha Sorenson.

Roy Milnes has been invited to referee a basketball game at Petoskey between the Petoskey school team and a team from another school. Very few people here know that Roy is one of two referees in Michigan who are members of the national association of referees.

Grayling boys and girls will again have a chance to compete against each other in skating races at our local winter sports park January 25th at 10:30 sharp. Prizes will be given for 1st, 2nd and 3rd places in each class and here's the best part of it all, the first and second winners in each class will race against winners from Mancelona, Gaylord, Frederic, Kalkaska, Rosecommon, West Branch and other surrounding cities.

January 14th witnessed the breaking up of Camp Hartwick, Co. 374, when most of the boys were sent to camps in Illinois. All wearing apparel was sent to Camp Suter. A few men were transferred to nearby camps and a few others returned to civilian life. The Johannesburg C. C. C. camp was also discontinued as was one third of the men were transferred to Camp Eldorado. Another camp recently discontinued was Camp Pioneer, Co. 1611, Jan. 13.

46 YEARS AGO
January 16, 1913

The stockholders of the Grayling Opera House Co. held their annual meeting last week Friday evening and elected the following directors: John F. Hum, pres.; Scott Loader, vice-pres.; Fred Narrin, secretary; A. Taylor, treasurer. A. B. Felling, manager; Scott Loader and James Overton, assistant managers; George Mahon, Frank Freeland and R. D. Conline.

Miss Mae Hodge left the latter part of last week for Lewiston to visit with friends for an indefinite period.

Mrs. Adam Gierke and little son Earl left Wednesday afternoon for a few days visit with relatives and friends in Bay City.

Mr. and Mrs. E. E. Hartwick of Detroit are planning a trip to Panama and expect to leave for that place about January 20.

The Daughters of Rebekah duly installed their new officers last Monday evening. Mrs. Hans Peterson was installed as N. G. Mabel Brazee, V. G.; Mrs. Fred Pratt, sec'y.; and Mrs. George McCullough, treasurer.

Not in 95 years has Easter come any earlier in the year than it will 1913 and it will not come as early again for 27 years.

Will Herie, who recently went to Boyne City to assist in the band, arrived Thursday and visited with friends until Monday.

The morning train from the south, No. 207, did not arrive all Saturday morning, so that all the mail came on the afternoon flyer. The cause of delay was a wreck somewhere on the road.

The newly elected officers of the I.O.O.F. were duly installed last week Tuesday evening. The lodge is now officered as follows: Paul

Ziebell, N. G.; Andrew Larson, V. G.; M. Simpson, Recording sec'y.; Al Roberts, financial sec'y.; and C. O. McCullough, treas.

For many years it has been the dream of many to see at some time a road built by the state north and south on the Principal Meridian from the Ohio state line to the Straits of Mackinac. Among the most enthusiastic advocates of such a proposition has been Geo. W. Sackrider, of Rosecommon, who for twenty years talked such a project all the time. It begins to look as if something feasible may develop from this idea.

Mr. and Mrs. R. A. McPeak and daughter, Miss Catherine, arrived home from the west yesterday afternoon.

What Is The Largest "Farm Group" In Michigan?

112,000 Farm Families That Regularly Save
Trading Stamps Are The Biggest
"Farm Group" In Michigan.

America's farm families are traditionally thrifty. The same pattern of thrift is found in Michigan. It is only natural, therefore, that the response of Michigan farm families to one of the oldest forms of thrift—the trading stamp—is so noticeable.

Today over 112,000 farm families save them. You might almost say that these savers constitute the largest single farm group in the state.

During 1957 alone, thousands of dollars worth of trading stamp merchandise went into farm households in the state, and every 2 seconds a farm family is

redeeming trading stamps. There is still another side—direct income for farmers. During 1957 the stamp industry purchased from Michigan farmers \$975,000 worth of primary materials that go into the manufacture of merchandise for stamp redemption.

No one can contemplate these facts and fail to realize that both personally and economically the trading stamp industry is a meaningful and welcome force in the life of our state.

This message is published as public information by THE SPERRY AND HUTCHINSON COMPANY, originator 63 years ago of S&H Green Stamps.

REMEMBER THIS? This picture in the Fourth of July parade of 1915 in Grayling. The photo is owned and was brought in to us by Chester Burke of Frederic and Grayling. It appears as though it was snapped in front of what is now the Rialto Theatre towards the Crawford County Court House. In the center in the hat can be seen George Burke, then Grayling Ford dealer. Chester Burke is at the upper right of the photo. Can you spot any others?

Paul Loeffler, who has been a patient in Mercy Hospital since last Tuesday had surgery Wednesday and is coming along very well.

Elmer Gerhard has been laid up with a bad cold for a couple of days.

We certainly enjoy this most beautiful sunny weather after so much snow. Our wonderful North land is sure a most beautiful sight these days.

The B. J. Mundts and Fred Herricks were Atlanta shoppers one day this week.

The Vern Hognans of Saginaw were weekend guests of the Bill Poorman.

Bill Poorman expects to go to the hospital Monday for surgery. Good luck Bill.

The B. J. Mundts spent a wonderful holiday at their children's and returned home this week.

Nice to see Bill Koernke home and also he is sure doing swell at perch fishing at Crapo Lake as did B. J. Mundt.

Bear Lake News

By M. D.

Our first rabbit and fishing sleigh ride party was a huge success but more party than hunting and fishing. The game was sure safe on that trip. Among the out of town guests were the Mill Wessnichts and Nelson Roush's of Mason, Mich. Art and Hattie Worden of Grayling, Marion Alderdice of Milan and our special guest from Alpena was Walt Nowak. The rest of the party consisted of local people from Bear Lake.

Our first progressive pedro party of the year was held last Tuesday night and was a big success. We find there are a lot of old fashioned people at heart in this world yet. We will welcome any one who wants to come. We play from 8 p. m. to 11 p. m. and then enjoy a nice lunch afterwards.

Two birthday parties were celebrated here this past week. One was Lola Lowry of Toledo, Ohio, the other, the birthday of Gary Hirt of Rapid City. A good time was had by all.

Nick and Lu Douglas have been taking it easy for the past week trying to get up strength to face the coming winter and the seams of their cabin breaking.

Red Robinson is getting along and around fine now still on crutches but can really dance on them now.

Fishing is really good out here now. Earl D. has been collecting a nice string of pike from East Lakes and the perch are good on Bear Lake.

Three Faces of Hope - and One of Hope

THE FACE OF BIRTH DEFECTS: This is the face of Richard Farmer, 9, of New York City, who was born with an open spine. He represents some 250,000 U. S. youngsters who are annually born malformed.

THE FACE OF ARTHRITIS: Cheerful Gwen Burdick, 7, of Cleveland, Ohio, has already undergone four years of intensive therapy for rheumatoid arthritis. With her is Nurse Nancy Holland.

THE FACE OF POLIO: This is 6-year-old Andrew Lange of Compton, Calif., whose braces legs are vivid reminders that polio is still a problem to most.

Andrew, Gwen and Richard are three bright youngsters you won't find riding bicycles in front of your house. You won't find them climbing trees or playing ball in the corner lot. More likely you will find them in hospitals.

When you look into their faces, the three faces of crippling, you know why your support for the March of Dimes now is more urgent than ever. Together they symbolize why the National Foundation has undertaken a new, expanded health program. Medical care and rehabilitation can help them. But the great promise is medical scientific research.

POLIO

Andrew Lange is six. He has been a patient in the March of Dimes-supported Rancho Los Amigos Respiratory Center in Downey, Calif. He symbolizes the crippling that polio holds in store for many of its victims.

During the past few years polio incidence has declined sharply, thanks to Salk vaccine. But what about Andrew? Modern rehabilitation can help restore something of his birthright to health. During 1958 about 50,000 polio victims received this kind of aid from the March of Dimes totaling \$18,900,000. Such aid will continue in 1959.

Andrew needed and received the attention that special medical skills can give. These skills are now being applied to aid in the solution of other crippling diseases.

ARTHRITIS

The face of arthritis doesn't always show. The symptoms come and go for some; but when they are present the pain is great. Gwen Burdick, seven, dark-haired, has always been an independent little girl. She doesn't want anyone to do things for her. That spells courage. She's got lots of it.

When Gwen was three years old she

developed stiffness of the neck. She had trouble moving her knees and hips. Diagnosis: rheumatoid arthritis. In a Cleveland hospital she was in traction for weeks, then in a plaster cast. For eight months she had to wear braces 24 hours a day, then at night only for another six months. When her mother first heard she had rheumatoid arthritis, she exclaimed: "What? in a child?"

Statistics show that about 16,000 child victims are likely to seek treatment in any given year for rheumatoid arthritis and Still's disease. The National Foundation plans to offer March of Dimes assistance to patients through 18 and will push research that will be meaningful to sufferers of all ages.

BIRTH DEFECTS

Richard Farmer is only nine, but he has been admitted 12 times for treatment in the Institute of Physical Medicine and Rehabilitation in New York City. The Institute receives financial grants from the March of Dimes for various phases of its work.

Richard has birth defects that affect the spine and the head, which go by the medical terms of spina bifida and hydrocephalus. He has had four operations. Now he can walk with the aid of braces and crutches.

Statistics show that each year some 250,000 American infants with some form of birth defect (congenital malformation) come into the world. The National Foundation has pledged patient aid to victims through 18 with birth defects involving the central nervous system, such as spina bifida, hydrocephalus and encephalocoele.

Half of these cases are believed to be hereditary; half may be due to injury or infections affecting the embryo in early pregnancy. Research offers the only real hope for a solution, all-out research of the kind that produced the Salk vaccine in less than 20 years. Medical scientific

THE FACE OF HOPE: This is Miss Carolyn Dole of the Rockefeller Institute for Medical Research, who symbolizes the vast effort being undertaken by the March of Dimes on behalf of all children affected by the Three Faces of Crippling.

research is the core of the National Foundation's new and expanded program.

THE HOPE

The research program financed by the March of Dimes covers the problems of polio, arthritis, birth defects, and basic research in various diseases and disorders of the central nervous system. As new leads are discovered, they will be pursued with vigor. The underlying aim of the new program is the improvement of man's health. The speed with which the program develops depends in large part on results of the 1959 March of Dimes.

birthday anniversary of Mrs. Hurl Decker. Mrs. Don Ferguson entertained a few friends at coffee Tuesday of last week.

Mr. and Mrs. Earl Nelson drove their son Roger and Larry Andrews to East Lansing Tuesday of last week, where the boys resumed their studies at Michigan State U.

The Nelsons visited Mr. and Mrs. William LaBrie and Mr. and Mrs. John Bates (Mrs. Bradley) in Lansing before returning home the same day.

New Store Hours, Monday thru Saturday, 9 a. m. to 8 p. m. Closed Sundays. Grayling Pharmacy, Inc.

Mrs. Robert Bovee, Mrs. William Christenson and Mrs. Frank Sorenson were in Mt. Pleasant Sunday before last on business.

Mr. and Mrs. George Griffith returned home Friday after spending the holidays in Fort Wayne, Ind., with relatives and friends.

Friends of William Huddleston, on hearing that he has been ill, might like to drop him a card at Sun Ray Park Health Resort, 125 S. W. 30 Court, Miami, Florida.

John Bruun made his annual trip down the AuSable river from Grayling to Wakeley Bridge New Year's Day. Last year, New Year, 1958, is the first time in a great many years Mr. Bruun has not made the trip, and this was because of another obligation. His companion this year was Sam Tooley of Boyne City.

Miss Carole Gross was 14 years old Wednesday, January 7, and to celebrate the occasion she invited 9 of her eighth grade girl friends to her home for a chili supper and that evening. Afterwards the girls enjoyed dancing and games, in the basement recreation room, and roasted marshmallows in the fireplace. Carole received some very lovely gifts.

Mr. and Mrs. Basil Hubbell took their daughters Karen and Laurie and nieces and nephews Nancy Janet and Roger, to Cadillac Friday so the children could appear on the Kenny Roberts show. The girls celebrated Karen's 8th birthday. Her cousin Roger had celebrated his 10th birthday the day before.

Public Notice to the electors of Grayling Township. The last day to register for the Feb. 16, 1959 People's caucus is Monday, January 19, 1959.

Dan Babbitt, Twp. Clerk Mr. and Mrs. Joe Wolfe of Detroit spent the weekend with the latter sister and family, the Joe Bieksis.

Major Clyde Borchers of Fargo, N. Dakota, spent from Friday until Tuesday with Mr. and Mrs. Carl W. Johnson, coming for his father Al's funeral Saturday. Mr. Johnson's sister, Mrs. Chris Freiberg stopped Monday to spend a few days at the Johnson home enroute to Midland where she is spending the winter.

Mr. and Mrs. Bruce Smith entertained friends at dinner Sunday evening.

Herbert Scott, baby son of Mr. and Mrs. Nels Olson, was baptized Sunday, January 4th, at St. Francis' Episcopal church, the Rev. Colin Campbell officiating.

Named as godparents, were Miss Marjorie Wolff, Walter Fallon, and Esbern Olson, Jr. Herbert wore the baptismal gown belonging to his grandmother, Mrs. Herbert Wolff, which was made by his great great grandmother, Mrs. Robert Archer. A family gathering at the Wolff home afterwards was held with pictures made to record the event.

Mr. and Mrs. Herbert Wolff were called to Lansing Wednesday of last week because of their daughter Marjorie's illness. They brought her home Friday evening, and took her back to Michigan State U. Sunday afternoon, fully recovered.

Mrs. Harold Long drove her mother, Mrs. Elizabeth Cassell, to Detroit Monday, to spend a few days with the latter's son, and family, Mr. and Mrs. Frank Cassell. Mrs. Elizabeth Cassell plans to leave for New York City Friday, to spend some time, and Mrs. Long will return here the same day. Miss Claudette Long and Shirley Mathews of Central Michigan College spent the weekend at their homes.

New Store Hours, Monday thru Saturday, 9 a. m. to 8 p. m. Closed Sundays. Grayling Pharmacy, Inc.

Mr. and Mrs. Les Welch spent Saturday evening and Sunday in Mt. Pleasant, guests of Mr. and Mrs. J. J. Welch. They attended a dance at the college Saturday night with several friends.

Mr. and Mrs. Richard Dunham of Ypsilanti are pleased to announce the arrival of a baby girl, Karen Lynn, on January 4th. Mrs. Nina Dunham of Grayling, and Mrs. Oady James of Ypsilanti are the baby's grandparents.

Mrs. Nina Dunham has been visiting her son and family, the Richard Dunhams, since Christmas. She plans to remain another couple of weeks and then go to see her son Bob and family at Milford.

Miss Kay Jansen was 11 years old January 5th. To celebrate the event her mother provided cupcakes and milk for her classmates in the 5th grade just before the end of Miss Douglas' geography lesson, much to everyone's delight.

Mrs. Lee Hull spent the weekend with her son and family, Mr. and Mrs. Joe Hull, in Gaylord.

CARD OF THANKS
I would like to thank the doctors, Sisters and nurses for their kind care, and my good friends for their cards and flowers during my stay at Mercy Hospital.
Mrs. Holger Schmidt

Girl Scout News

Troop 2 met last Thursday for the first meeting of the new year. Many plans were made for the remaining months. The girls discussed some money-making projects, among them a bake sale to be held January 24th at the Peterson Hardware. The girls will

Event - Packed Year Ahead In Michigan

Lansing — An action-packed year awaits visitors to Michigan during 1959, with more than 200 special attractions vying for the traveler's attention throughout the state.

The Michigan Tourist Council's vacation calendar — just off the presses — lists a variety of events including exhibitions, festivals, sports contests, parades, fairs and other vacation attractions.

Heading the list are 57 winter sports events during January, February and March. These include ski jumping tournaments, downhill and slalom races, winter carnivals, ice fishing festivals and ice skating meets.

The spring vacation season, from April through mid-June, is highlighted by maple syrup and mushroom festivals, smelt and perch runs, blossom celebrations and trout fishing.

Summer activities accentuate Michigan's famed water attractions — boating, water skiing, swimming, sail boat and outboard races and fishing derbies.

Autumn events call special attention to popular fall color tours, small game hunting, canoe races and deer hunting.

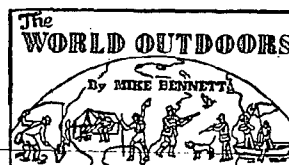

Copies of the 1959 Calendar of Coming Events are available from the Michigan Tourist Council, Lansing 26.

Ken Hildebrand Finishes Combat Training Course

Camp LeJeune, N. C. (PTTC) — Marine Pvt. Kenneth W. Hildebrand, son of Mr. and Mrs. W. O. Hildebrand of Lake Margrethe, Grayling, was scheduled to graduate Jan. 5th from a five-week advanced combat training course at Camp LeJeune, N. C.

The training places emphasis on field exercises consisting of small unit tactics, tactical formations, and live firing of weapons under simulated combat conditions.

Before entering this advanced phase of training Marines complete 12 weeks of basic training at the Marine Corps Recruit Depot Parris Island, S. C., and a four-week individual combat training period also at Camp LeJeune.

THEY SAID it couldn't be done — but a West Virginian did it, and he can prove it.

Harry Magruder, Ridgeley, West Va., brought his turkey back alive ... his wild turkey, that is, not one that he picked up at the supermarket for his Thanksgiving dinner.

Magruder picked up a wild bird with his hands in Hampshire County. Sam Saville, county conservation officer, will back up the story, for he reports that Magruder brought the bird into the game checking station.

The hunter explained that he had shot at the bird and that it had fallen over. While starting to pick it up, the bird got to its feet and began to run. Apparently dazed, the bird ran in circles. Magruder managed to pick up the bird, tie its feet and bring it alive to the checking station. He said that he could find no marks or wounds on the bird.

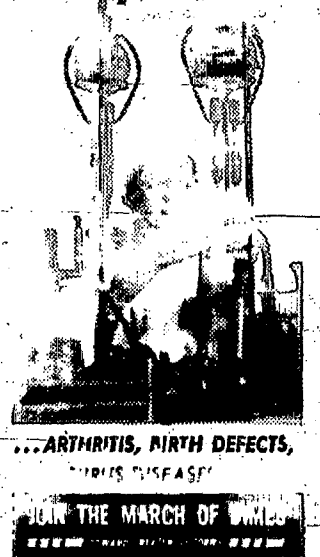

As far as conservation officer Saville knows, this was the first wild turkey ever checked alive at a West Virginia's Checking station.

Federal aid funds totalling \$21 million have been apportioned for State fish and game restoration programs during the current fiscal year.

Derived from Federal excise taxes on sporting arms, ammunition, fishing rods, reels, creels, and artificial baits, birds and fish, the money is set aside in two special funds for the purpose of assisting the States in wildlife and sport fish restoration projects.

The money is distributed to each State on a basis that takes into account the ratio its land area and paid license holders bear to all the States. Each also is required to match every three Federal dollars with one of its own.

City Government

(Continued from Page 1)

Two weeks later on September 4th, 1934, Mr. C. A. Miller was hired as Superintendent of Village affairs. Mr. Miller served in this capacity until June 3rd, 1935.

On March 1, 1935 the Charter Commission was elected by a 246 to 101 vote in favor of studying and drafting a charter under the Home Rule Act enacted by the State Legislature to provide for the corporation of cities and for revising and amending their charters. It is known as Act 279 P. A. 1909.

The Charter Commission who worked on the drafting of the Charter and the people of Grayling for their consideration were as follows:

Albert L. Roberts, Roy O. Milnes, Merle F. Nellist, Alfred Hanson, A. J. Joseph, Emil Giegling, T. P. Peterson, O. P. Schumann, Claude Keyport.

These men completed their work on May 3rd, 1935. Charter approved by the Governor on May 6th, 1935 and approved by the people of Grayling on May 27th and went into effect on June 3rd, 1935.

The new members of the City Council just approved were:

Jesse Schoonover, Frank Sales, Roy O. Milnes, Chris W. Olsen, Carl Jensen.

On their first meeting on June 3rd, 1935 Chris W. Olsen was chosen Mayor and Jesse Schoonover was chosen Mayor Protem. Mr. C. A. Miller was then chosen as the City of Grayling's first City Manager and served the city until June 1st, 1936.

Mr. Miller left Grayling to move to a larger community, Kingsford, Michigan.

Mr. George A. Granger was appointed to the position of City Manager on May 25th, 1936 to become effective on June 1st, 1936.

Mr. Granger served the city until December 1st, 1947. Mr. Granger had accepted the position of City Manager of Big Rapids, Michigan to become effective on December
